

HEMOPHILIA '08 walkSM

Every step makes a difference

Please join us for two sessions on the Hemophilia Walk

Hemophilia Walk Program Overview Session

Monday, March 10, 2008

3:45pm-4:45pm

NHF will host a session to discuss aspects of the National Hemophilia Walk program making its debut in five cities in 2008. All chapters are welcome to attend to gain an overview of the Hemophilia Walk program and to assess your participation in 2009-2010. Representatives from the 2008 participating sites will share their stories about their planning processes.

Hosted by:

Mary Ann Ludwig, NHF Vice President for Development
Kristin Hokoyama, NHF Development Manager
Steve Leonard, Walk Consultant

All chapters are invited to attend.

Hemophilia Walk Training

Monday, March 10, 2008

5:00pm-6:00pm

NHF will host a Walk Training for the pilot sites participating in the Hemophilia Walk program in 2008. Details on the program will be discussed. Bring your questions, ideas and thoughts to this discussion.

Hosted by:

Kristin Hokoyama, NHF Development Manager
Steve Leonard, Walk Consultant

2008 pilot sites and all chapters are welcome to attend.
